

2013

National Stormwater Center

Promoting and Advocating Clean Water Act Compliance

Certified Stormwater Inspector Classes

Certified Stormwater Inspector

Birmingham, AL June 3-4, 2013

Designed specifically for MS4 personnel and permittees and Industrial stormwater permittees this two-day course offers a 5 year Inspector Certification for only \$799 plus \$25 registration fee. This course focuses on permit compliance as the key to restore and maintain the waters of the United States. Testing will be conducted throughout the sessions; students are expected to achieve a minimum 75%. This course primarily serves those municipal and industrial permittees, and their consultants who have responsibility for:

Inspections	Annual Reports	Elimination of Non-Stormwater Discharges
Stormwater Visual Observations	Sampling and Waivers	Routine Inspections
Annual Compliance Evaluations	Municipal Operations	Audits
Public Information and Education	Illicit Discharge Detection	Document Control

This course is appropriate for:

Industrial and Municipal stormwater permittees, and their consultants

State and Municipal stormwater personnel, and their consultants, including:

Public Works

Floodplain and Watershed Personnel

Code Enforcement Personnel

Municipal permittees including Airports, Marinas, Recycling, Landfills, Treatment Works, Fleet Maintenance (Land Transportation), and other Industrial Categories operated by municipalities
